Please provide a brief description of what you will be doing: _____

SECTION I: GENERAL

A. Applicant(s):

1. Name(s): _____

2. Address: _____

3. Telephone Number: _____

B. Interest of Applicant(s) in subject property described in Section II (check one):

1. _____ Owner(s) of record title;

2. _____ Owner(s) of equitable title;

3. _____ Lessee(s); or

4. _____ Other, Describe _____

C. Owner(s) of record title of subject property described in Section II [if other than applicant(s)]:

1. Name(s): _____

2. Address: _____

3. Telephone Number: _____

SECTION II: SUBJECT PROPERTY

1. Location (Include reference to nearby intersections and/or prominent features): _____

2. Corner Lot? ____ Yes; ____ No. If "Yes", indicate all streets abutting the subject property:

3. Chester County Tax Map Designation: Tax Map Parcel No. _____

4. Zoning District Classification: _____

5. Lot Area: _____ square feet (_____ acres).

6. Dimensions:

a. Length of front lot line: _____ ft.;

b. Lot width (at building setback line): : _____ ft.;

c. Length of side lot lines: _____ ft., and _____ ft.; and

d. Length of rear lot line: _____ ft.

7. Impervious Surface/Cover Calculation

Existing impervious surface/cover*: _____ sq.ft. Percent of Lot: _____

Proposed additional impervious surface/cover*: _____ sq.ft. Percent of Lot: _____

Total impervious surface/cover* on lot: _____ sq.ft.

Percent of Lot having impervious surface/cover: _____

***IMPERVIOUS SURFACE/COVER** – any surface or constructed material, which is impenetrable to the passage of water or other liquids under normal conditions and thus produces stormwater runoff from precipitation. All buildings, including roof overhangs, parking areas, driveways, roads, sidewalks, stone driveways or parking areas, and other such areas in concrete or asphalt, shall be considered as contributing to total impervious cover. For purposes of determining compliance with maximum impervious cover limitations on any lot or tract, impervious cover shall be measured as a percentage of net tract area.

8. Building Coverage Calculation

Existing building coverage*: _____ sq. ft. Percent of Lot: _____

Proposed additional building coverage*: _____ sq. ft. Percent of Lot: _____

New building coverage* (existing + proposed) _____ sq. ft. Percent of Lot: _____

***BUILDING COVERAGE** – the ratio of the total ground floor area of all buildings on a lot to the total area of the lot on which they are located or the percentage of lot area covered by buildings

This application must be submitted with (2) plot plans of the property. Drawings shall be to scale and show locations of all buildings and structures with the distances to lot lines and other buildings, location of any streams, ponds, flood plains, slopes, septic, wells etc.

9. Cost of Improvement: _____

SECTION III: CHANGE IN USE OF SUBJECT PROPERTY AND/OR ANY BUILDING OR OTHER STRUCTURE THEREON (Complete only if use of building, structure or land is being changed)

- A. Describe the proposed use, or the change in use, of the subject property and/or any building or other structure thereon for which this application is made. Indicate the number of employees if the proposed use or the change in use is non-residential:

- B. Describe the existing or previous use of the subject property. Indicate the number of employees of the existing or previous use.

- C. List the date on which the building was last occupied by the previous or existing use.

-
- D. Is the building or space equipped with a fire-protection system? ____ Yes; ____ No. If yes, please describe in detail.

- E. Calculate the design occupant load for the building in accordance with Chapter 10, Section 1004 of the International Building Code.

Design occupant load: _____

- F. Complete the following for each building and other structure on the subject property:

1. Size: _____ ft. x _____ ft. (_____ sq. ft.);
2. Height: _____ ft.; number of stories: _____;
3. Location on subject property in relation to lot lines:

4. Lot coverage: _____ sq ft.

- G. Indicate the dimensions of all yards and open spaces on the subject property, including:

1. Front yard: _____ ft.;
2. Side yards: _____ ft.; and _____ ft.; and
3. Rear yard: _____ ft.

- H. Indicate the number and size of all off-street parking and off-street loading spaces and the location (include distance to lot lines) of all off-street parking and off-street loading areas on the subject property: _____

I. Indicate the number, type, and location (include distance to lot lines) of all signs on the subject property: _____

J. Is the use or the change in use served by public water? _____ Yes; _____ No. If "No", describe the type of water service: _____

K. Is the use or the change in use served by public sewerage? _____ Yes; _____ No. If "No", describe the type of sewage service: _____

(If the use is served by an on-lot septic system and/or on-lot water well, provide documentation from the Chester County Health Department approving these on-lot systems for the use proposed.)

L. Legal grounds believed to allow the use or the change in use:

1. Provisions of the Zoning Ordinance (indicate sections):

2. Variance, special exception, or other authorization granted by the Zoning Hearing Board (indicate the type of authorization granted and the date of the Zoning Hearing Board Decision granting the authorization): _____

3. Other (describe): _____

Attach a plan of the subject property indicating: the size, dimensions, and shape of the subject property; the size, dimensions, and location of all buildings, structures, yards, and open spaces on the subject property; and the size, dimensions, number, and location of all off-street parking spaces and areas, off-street loading spaces and areas, and signs on the subject property.

SECTION IV: EXECUTION
